POTENTIAL BIDDING OPPORTUNITIES FOR THE COLTS STADIUM PROJECT

Did you miss the Business Diversity Series when it was in your area? Are you curious about the bid package schedule? Want to know what potential bidding opportunities are available on the Colts Stadium Construction Project? The bid packaging plan and potential scopes of work are available on our website under [Colts Stadium Project Powerpoint Presentation](#)

OPPORTUNITIES ABOUND AT THE NEW COLTS STADIUM!

There are many opportunities for work at the new Colts Stadium! The Governor is committed to increasing participation of state certified minority- and women-owned businesses in the economic opportunities available through state contracting. The construction of the new Colts Stadium and the Convention Center Expansion is a prime example of ample opportunity!

Historically, it has been difficult to find available minority-owned and women-owned firms that can provide work in the following scopes of work:

Piles and Caissons	Formwork	Pre-Cast Concrete
Stone and Masonry	Metal Fabrication	Ornamental Metals
Architectural Woodwork	Waterproofing	Tile and Terrazzo Work
Glass and Glazing	Fire Insulation & Sealant	Waterproofing Sealant
Floor Coating	Specialty Equipment	

Does your firm have the capacity to meet the need? Do you know another firm that can provide work in these areas? To review the possibility of certification, please contact our office at 317-232-3061 today!
